Producer/Director/Writer

QUALIFICATIONS SUMMARY

Directing: Over 20 years of experience behind the camera. Directed over a dozen projects many of which I wrote as well. Experience working with both union and non-union actors as well as children and animals. Effective with working with small intimate cast and crews, as well as sets that have close to a 100 cast and crew combined. Excels at the art of visual story telling.

Producing: Skilled at filling out cast and crew roles regardless of budget and other restrictions. Able to run a safe, creative and budget conscious production. Build and maintain a strong working relationship between all departments. Owns and operates Fork the Man Productions, LLC, a fully insured production company.
