PROFILE-

I am a filmmaker that has extensive on-set experience. I have worked in various positions including director, grip, producer, a.c. etc. My personal desire is to enter the industry as a writer/director and create engaging unique stories that connect with audiences.

SKILLS

- The ability to work well with actors and capture great performances
- Preparation as a director (shot lists, storyboards, etc)
- Experience building and breaking down RED camera as well as operating it
- Extensive experience working with various film equipment as a grip
