2018

WEST COAST HORROR FILM FESTIVAL

NEW HORROR FILM FESTIVAL COMING TO LOS ANGELES IN OCTOBER.

**PARALYSIS BY TOM SAJEWSKI**

**RECEIVING THE BEST THE CINEMATOGRAPHY AWARD**

is an official selection of WEST COAST HORROR FILM FESTIVAL in  
GLENDALE, CA.

We are a film festival event, here to show you quality horror and genre films. As simple as that. We will be screening them on the West Coast in Los Angeles at an event space/movie theater. On October 25th, 26th, and 27th, 2018. Hand picked films from all over the world. From Sweden to India to the United States. We welcome international films and films shot in the United States.

This is the start of a film festival event, we want to grow and expand. Show that horror is not a one time hit, it's an on going genre. A genre that has made history and will continue to.

Showing all filmmakers, that they can express themselves through the art of cinema.

Tickets will be sold through Eventbrite.com in the month of October 2018, selected filmmakers will not need to purchase tickets.
