PRODUCTIONS

Hey, Chanté! Podcast- 2018- Creator- Chanté Channel

This hour long podcast is motivational and inspirational. The objective of this show is to allow different guests of wide variety to have a space to introduce themselves to the world discuss their passions, fears and obstacles that they have overcome to get to where they are now.

Short Thoughts- 2018- Director- Chanté Channel

This series of short films displays the frustrations and comedies of living with social anxiety in a big city.

Change of Heart (Short)- 2013 - Director- Bobby Propes

Script Supervisor: Keep track of the actors so that they knew their lines and directions in front of the camera. Continuity needed to be precise on set as well as making sure the director and crew followed along with the actual script; not allowing any scenes to be left out.

The Apple of My Eye (Short) -2013 Director -Colin Dorsey

Script Supervisor/Asst. Director: Taking responsibility for the progression of the shoot, keeping track of the crew and equipment, making sure all shots needed were taken, and preparing actors .

The Fly Tyer (Short)-2014 Director -Colin Dorsey

Script Supervisor/Asst. Director: Taking responsibility for the progression of the shoot, keeping track of the crew and equipment, making sure all shots needed were taken, and preparing actors .
