QUALIFICATIONS SUMMARY

- ◆ **About Me:** Since graduating from Queen's University with an Honours BA in Dramatic Art, I have become a working filmmaker in the city of Toronto. I find additional employment as an audio engineer, playwright, and noise musician.
- ◆ **Film and Television Production:** I possess a wide knowledge of film, television, and commercial work from pre to post production. I am experienced in organizing and coordinating shoots; using production equipment, and collaborating with both artists and clients. I consistently write screenplays, treatments, and project concepts and I am a competent sound designer and editor. I recently directed my first two films and my first high-budget short film, "From The Thunder" goes into production April 6th, 2019. As an actor, I have appeared in five feature films, twenty-five shorts, and six TV series.
- ◆ **Administration:** I work as the in-house screenwriter for True Perspective, a film production house based in both Toronto, Canada and London, England and I am a co-founder of Toronto's creative collective, Start the Picture.
- ◆ **Strengths and Skills:** I am a knowledgeable, hardworking, and enthusiastic artist and possess a demonstrated ability to produce professional works of art and advertisement. I use my interpersonal skills and knack for efficiency to reduce the production cost while elevating the quality of any project I become a part of.
