*The Dreams of a New Land.* (1st ed.) (Amazon Digital Services LLC, 2017): Thabiso Camilo Christopher.

*The Casualties of Wrath.* (1st ed.) (Amazon Digital Services LLC, 2017): Thabiso Camilo Christopher.

### **Upcoming Publications**

*The Falling Dream.* (1st ed.) (Amazon Digital Services LLC, July 2019): Thabiso Camilo Christopher.

### **Feb 2014 – June 2017: Structural Engineer**

**Aurecon Group**, Johannesburg, South Africa

*Multi-national and multi-disciplinary consulting engineering firm, based in Africa, Asia, Middle East and Australasia, providing consulting services across many engineering fields.*

- Responsible for the provision of structural engineering services for Building Structures projects, as well as retro-fitting older Buildings to take new-use or 'extreme-load' design requirements.
- Performed structural modelling and design tasks using an array of design tools, while serving as the liaison between site operations and the Professional Engineer.
- Ensured the on-time delivery of comprehensive construction information to site as per the project requirements, as well as representing the Professional Engineer in design and site co-ordination meetings.
- Implemented guided and practical decision-making with a project's professional team to ensure the cost-effective delivery of the client's expectations.
- Provided guidance to younger engineers regarding innovative design solutions and the careful assessment of construction site activities to deepen structural engineering understanding.

## **EDUCATION**

**Feb 2009 – Dec 2013: University of the Witwatersrand, South Africa**

- Bachelor of Science in Civil Engineering - BSc. Eng. (Civil).
- Majored in Structural Engineering, Hydraulic Engineering, Construction Materials and Environmental Engineering.
