Sisters of spook share their tale

Writing their penchant for horror creepies into latest book

By Hume Leader

2017 wasn't even back for the sisters of spook yet, but their latest book, *The Door*, is a testament to their talent. The novel is a horror story that will keep you up at night. It's a story of a woman who is haunted by a ghost and a man who is haunted by a woman.

The novel is a horror story that will keep you up at night. It's a story of a woman who is haunted by a ghost and a man who is haunted by a woman.
