**Myanmar Script Fund *International*
Development Award will attend
Locarno Festival 2017**

Ms. Nway Zar Che Soe, director & scriptwriter of the film project SATURDAY BORN ARIES has received the MSF "International Development Award" during MEMORY! Film Festival 2016.

The festival is proud to announce that Nway Zar Che Soe will fly now to Switzerland so as to attend Locarno Film Festival and its Open Doors 2017 Program for emerging filmmakers as observer.

Open Doors is a unique place in Europe where film projects from Asia are showcased in front of European and international partners. The 15th edition will be held from 2 to 8 August. Open Doors is currently (2016-2018) focused on eight Southern Asian nations: Afghanistan, Bangladesh, Bhutan, Maldives, Myanmar, Nepal, Pakistan and Sri Lanka.

The 2 main 2016 awards were defined with a special reward, focusing –

deliberately - on in-kind support to the development of the film projects. «Coaching and international exposure are part of the main objectives of the Myanmar Script Fund. This is why the 2 MSF rewards are in-kind support programs. The aim is that Myanmar filmmakers can soon be present actively in international festivals. Considering the projects selected in 2016, we can clearly feel a momentum that we must develop ! », explain Daw Grace Swe Zin Htaik, Member of the international Jury of MSF.

Reminder : the 2017 Myanmar Script Fund's registration is now open. It will be held from November 4 to 7, as part of MEMORY! Film Festival.
