
Aaron Rota

PROFILE

Driven to collaborate to create powerful, thought provoking entertainment through film, TV & music videos. Grew up in the film industry under a Hollywood award winning cinematographer Pauline Heaton. Kicked off professional career in acting in films (Fantastic Four), television shows (Supernatural) and commercials (Save on Foods). From a young age Aaron has been making films. His last film **"1968"** was an official selection at Film Festivals all over the world.
