PROFESSIONAL EXPERIENCE

Egypt

2019/2020 Photo Reportage

Development of the first part of the photo-reportage "Helwa el baladi" in Egypt. A freelance photo-project . My goal it's to raise public awareness on the problem of strays and possible solutions.

Rome - Teheran

2018/2019 Video documentary

After winning the first prize at the Nikon Photo Contest in 2017, myself and my colleague Andrea de Laurentiis made a documentary video project, called "Rome_Teheran on the road", with the support of Nikon Europe, Thule & Case Logic Company, A slow journey from Rome to Teheran in camper van, with various stages that involved different states.

Philippines

2016/2017/2018 Photo Reportages

Produced "Crying Game" photo-reportage, a critique on the impact of U.S. military bases in the Philippines in creating prostitution and sexual violence in surrounding communities.

http://www.annamariabruni.it/crying_game-r10114

Development of various photojournalistic reportages on Duterte's politics and the war on drugs.

I was mostly focus on psychological effects on the people.

Thailand

2015 Video & Photo Reportage

In collaboration with the NGO Help without Frontiers, I have documenting through video and photos the everyday life of Burmese refugees.

ANNAMARIA BRUNI

PHOTOGRAPHER & VIDEO MAKER

PROFESSIONAL EXPERIENCE

Jordan

2014 Photo Reportage

With the UNHCR support I've been visiting Syrians refugee Camp in Zatari. As part of the project "Occupation: refugee" during my stay I have collected stories of war refugees and created a photographic reportage and a short documentary.

Gaza

2013 Video & Photo Reportage

Welcome to Gaza Convoy - Gaza Harry Fear, renowned activist and documentary maker, set up an international delegation that had as its purpose the creation and distribution of Media materials targeted to the release of the actual situation in Gaza Strip. I was in charge to provide a full photography reportage about the convoy.

Palestine

2012 Photography Teacher

Five days a week as a volunteer for the Aida Refugee Camp that provides psychological support, teaching, sports, and community activities. The camp hosts refugees from 17 demolished villages from the North Western area of Jerusalem and the South of Hebron. My responsibilities involved: working in a classroom with children, compiling their records and other administrative paperwork. I was often involved in the organizing and logistical planning of charitable events.

Afghanistan

2014 Video Project

Filmed the "Woman of the silk road" project with Vento di Terra NGO, a project that aimed to encourage women's emancipation through the art of weaving.

The project was carried out in Zindah Jan, Herat province.

Lebanon

2012 Photo Reportage

Through Terre des Hommes I followed the after school activities of Syrians children in Aarsal. My duties were investigate stories, interview sources and report and work in the field to cover news events. I was mostly focus on psychological effects of war on children.

Egypt

2011 Photo Reportage

Wasteland Camp - El Nur - Egypt Pandora Charity Association-

I cooperated with this charitable organization which is liaising with social workers and other healthcare professionals in the region. Main contact point/liaison between the charity association and the people working in the biggest dump of Sinai without healthcare or rights. Published a report („Do the Right Thing“) on the situation in the camp for SHOOT4CHANGE, who dedicate part of their time to shooting humanitarian reportages for NGOs .
