EXPERIENCE

Storyfit Inc.
WINTER INTERNSHIP
11/2020 to 1/2021

Working for Storyfit I was tasked with accumulating and analyzing data from a wide range of films, television shows and characters in order to help develop and conceptualize Storyfit's web-based tools.

Central and Essential Position Functions:

- Learn about the social-science of measuring story through readings and guided discussion.
- Work with and coordinate with a large group from a variety of different backgrounds and walks of life.
- Option to help execute studies, optimize our efforts via project management.
- Provide data annotation and feedback for scalable versions of a story-elements system.
- Extract/highlight relevant story data from a corpus of scripts.
- Provide UX feedback on client-side story elements interface.

UTV Studios
SCREENWRITER/PRODUCTION ASSISTANT
01/2020 to 05/2020

As a screenwriter, I worked and fleshed out, character driven stories on various platforms including YouTube.

Central and Essential Position Functions:

- Lead and collaborated on projects with other team members
- Participated in pitch meetings, brainstorming sessions, and table reads
- Provided production and editorial support for script projects

As a Production assistant, I provided support to the production cast and crew as needed to ensure their needs are met.

SKILLS

PERSONAL:

Dependable, Trainable,
Hardworking, Trustworthy, Analytic
Skills, Strong Multitask, Quick
Learner, Great Communication
Skills, Team Player, Organized.

PROGRAMS/WEBSITES:

Adobe Creative Cloud; (Adobe
Premiere Pro, Adobe Acrobat,
Adobe Indesign, Adobe Photoshop,
Adobe Illustrator, Adobe After
Effects) FinalCut Pro, DaVinci
Resolve 16, Google Drive Suite,
Microsoft Office suite
(Word/Excel/Powerpoint/
SharePoint), Connect2 System,
Experience in uploading to Youtube
and Vimeo

CAMERAS/AUDIO

EQUIPMENT: G3/G4 Lavalier,
H5/H6 Zoom, Canon DSLR
cameras, Blackmagic 4K & 6K
cameras, 8mm cameras.

PROJECTS OF NOTE

A.M. (2020) -
Short Film

-*Winner of Gold Award for Best Student
Film at Hollywood Gold Awards*

-*Winner of Silver Award for Best Mystery
Short at Independent Shorts Awards*

Central and Essential Position Functions:

- Assist with administrative duties, including running errands off set
- Help with a variety of production-related elements, including building props and sets
- Unload lights, stands, and other necessary production equipment

**Hypoterra Records
FREELANCE VIDEO PRODUCER
11/2019 to 11/2020**

I learned to quickly adapt to a fast-paced environment. I was not expected to complete assigned tasks quickly and cleanly but also provide support as needed.

Central and Essential Position Functions:

- Produced custom videos that required the creation of promotional pieces (including music videos, behind the scenes, and live events) using Adobe premiere pro and final cut pro
- Handled the videography and filming of projects and edited raw footage to produce completed projects including; music videos, behind the scenes, live events, etc.
- Organized aspects of video production from storyboard, shot list, and cast selection
- Excelled in high pressure environments while working with many other team members to create a high-quality final cuts

**NAU Video Equipment Checkout
DESK CLERK
08/2019 to 11/2020**

I Helped organize and maintain a variety of video production equipment (Cameras, Microphones, lights, etc.) while also managing rentals and reservations for students.

Central and Essential Position Functions:

- Responsible for the coordination and distribution of all audio-visual equipment and materials.
- Assisted customers in ordering audio-visual materials and equipment.
- Ordered, received, and inventoried audio-visual materials and equipment.
- Completed minor repairs of damaged video/audio equipment or processed orders to send out for repair.
