# About Me

I am a passionate, creative and hardworking artist who never lets any obstacles get in the way of tackling an ambitious project. I try to do the best with what I know in terms of artistic knowledge. I enjoy crafting stories, moving cartoony characters, and designing them too. I am also a film student, as I take influence from any genre in my work.

I'm a native New Jerseyan currently residing in Baltimore, Maryland, still an avid traditional/digital 2D animator, and I'm excited to work with you!
