Bill Guzik

PROFESSIONAL OBJECTIVE

To utilize my experience and skills as an independent filmmaker, contribute to the arts community in Atlanta, and build progressive relationships around the world

SKILLS

- Understands composition, lighting, and how to tell a story visually
- Proficiency in video editing using Final Cut Pro, with a strong sense of rhythm
- The ability to take a video from its conception to the final export
- Highly organized, with an attention to detail and a good aesthetic sense
- Communicative, collaborative, creative, and driven

EXPERIENCE

- Twenty-plus years of behind the camera and video editing experience
- Producer/Director/Editor of **Magic Cloud**, an award-winning documentary selected for WonderRoot's Generally Local Mostly Independent Film Series in 2015
- Various gigs as an independent contractor producing wedding videos, instructionals, and event documentation for a number of clients
- Creator and President of **Idol Films**: a production company that specializes in music videos, documentaries, and narrative films

EDUCATION

Burnsville High School | 2001-2005

Montana State University | 2005-2009 | Bachelor of Arts in Media and Theatre Arts
