## TESTIMONIALS

I love to work with Mirjam because **she gives** me all the **space, trust** and **patience** so I can show all my facets that are in me at that moment without holding back.

— **Christina Siemoneit** | [Actress](#)

She has a **holistic understanding of film**, which is rare in this dimension. This **knowledge** helps her to find the **right solutions** in every situation.

Mirjam is very **talented** and **ambitious** and has a **positive** and **creative** approach to everything.

I highly recommend supporting Mirjam and her projects in every possible way.

— **Lillian Rosa** | [Film and Commercial's Producer](#)

I was delighted to discover her **great personality** and **professional skills** after working together.

Mirjam proved herself as:

- a person with great **sensitivity, observation, and deep psychology**
- **an aesthetic visionary** with **communication skills**
- **inventive** and **practical** with **technical knowledge**
- the quick yet **solid decision-maker**
- the strong **manager** inside out, always **motivated** to achieve a better atmosphere and **success** in crew
- hard **worker** until the task is finished
- **talented** and **skilled** to supervise the production to a successful conclusion
- able to pull **good results** out of the challenging situation

She knows how to **serve people** and at the same time, she has the ability to **lead** them while **bringing the best** out of them.

Mirjam's **diligence, energy, and sense of humor** made working with her a joy.

— **Branislav Srdić** | [Film Producer, A Atalanta](#)

Mirjam is one of the most **professional** and **creative** individuals I have ever worked with.

I would highly recommend her to anyone.
