## JEANNE TAYLOR

Creator, Writer, Director & Mrs. Carmody

NO FUGU FOR YUGU is a stand-alone MRS. CARMODY & MRS. JELLINECK episode and its previous chapters are: HEIR TODAY, GONE TOMORROW (2017) and A BRUSH WITH MURDER (2018). NO FUGU FOR YUGU is Jeanne Taylor's directorial and editing debut. Jeanne is currently working on HUMAN RESOURCES and directed all five episodes of the comedy web series. Jeanne's short films which she wrote and star in, THE CO-STAR (2012) and THE CO-STAR: MASTER ACTING CLASS (2014), have won numerous film fest awards including premiering at Hollywood's Egyptian Theatre's American Cinematheque and LA Comedy Shorts. She has a B.S. in Acting and Music from Western Michigan University in Kalamazoo, Michigan (yes, there really is one) and a M.S. in Educational Psychology from California State University. Jeanne teaches gender studies and Intro to Psych at Citrus College and CS Arts in California. She currently lives in Los Angeles with her husband and white boxer Sammi. Jeanne's next project is directing that feature film she just finished writing!

## Director Statement

I chose to direct NO FUGU FOR YUGU, because I hadn't directed any of our previous MRS. CARMODY & MRS. JELLINECK installments. I also decided to learn how to edit on this project and fell in love with both directing and editing. (However, I did discover it's really hard to act two roles, work a dummy, and direct at the same time! For those scenes, Salme Geransar and Elizabeth Arends, helped me direct.)

I hope the viewer gets as much fun out of watching NO FUGU FOR YUGU as we had making it! I think ridiculous things are funny and I hope those watching the film do too.

It was challenging to make because we're all multi-tasking! I'm acting two roles, working the dummy's (sorry Mrs. J) eyes and mouth, costuming, doing Baroness's hair, props, set design, and making lunch/Crafty! But that's NOTHING compared to Dickie (Rich) Sanderson. Rich has a leading role, is the DP, doing sound, lighting, all after sitting in the makeup chair for an hour. My house becomes our set and we shoot the whole shebang in a four day weekend. IT IS A RIOT!

Working with Rich, Salme, Liz, and Jen, is a wonderful experience because we're all close friends. It's really like being part of a theatre company, which is only right because we come from strong stage backgrounds.

We had delays in releasing NO FUGU FOR YUGU due to Covid. We shot in 2019... BEFORE #BLM and BEFORE #MeToo. If I was writing NO FUGU now, I would have a different voice, which is a good thing. But, "what can you do" now?! We all grow and change and that truly is something good that's come out of 2019/2020/2021.

We had a \$0 budget and probably spent \$500 to make MRS. CARMODY & MRS. JELLINECK: NO FUGU FOR YUGU. Luckily Rich had all the equipment we needed!
