

VITRUVIAN

Magic Reveals Itself to Those Who Rebel

A FILM WRITTEN AND DIRECTED BY
Walter Christian Franchini

Film synopsis

An ancient Gnostic manuscript of more than 500 years old was passed through a lineage of mystics who treasured for generations the secret of the mythical "Golden Spiral".

The manuscript will be mysteriously found by a young painter in Buenos Aires, who has begun to portray certain art works due to an unusual inspiration that will allow him to find an "ancient heritage", a treasure that requires a mysterious Key...

Data of the filmmaker | @ @ @ @ @

Christian Franchini is an Argentinean director and writer who has filmed several short films and a documentary based on mystical and esoteric themes. In his work we are able to find as the main axis "The Magic", approached from different aspects.

He manages to compose stories that are developed within "fantasy realism", something we find in his recent work *Vitruvian*.

This is a film that presents a delicate balance between mystery and suspense, which runs through different narrative times in which characters are immersed crossing through time and space.
