## EXPERIENCE

### **Creative Reuse Artist Residency / Resident Artist**

January 2023 - April 2023, Montreal

One of the four chosen artists to conduct research and create artwork. As a residency artist, I have the opportunity to explore and engage in research surrounding non-Western ways of knowing as well as conduct a panel at the 4th Space venue upon the completion of my research.

### **Fine Arts Student Alliance / Student Life Coordinator**

April 2021 - PRESENT, Montreal

The Fine Arts Students Alliance is the official accredited student association comprised of undergraduate Concordia students who have a major, minor, or specialization within the Faculty of Fine Arts. As student life coordinator, I act as the liaison between the Dean of Students and the fine arts student body; fervently advocating for students and providing opportunities for connection through events, workshops, and panels.

### **Je Me Vois À L'Écran / Resident Artist**

December 2020 - May 2021, Montreal

One of the four artists chosen to participate in a residency hosted by Black on Black Films in collaboration with Conseils des Arts de Montréal. The residency focuses on developing short films from start to final script. Each artist is responsible for planning, developing, and finishing a short film in a timely, efficient, and creative manner.

### **THEKINGYETTI Creative / Freelance**

January 2018 - PRESENT, Montreal - Vancouver

Created a freelance business under the artist name KINGYETTI operating in Montreal and Vancouver in which filmmakers, musicians, and local business owners commission. Commissions can include but are not limited to, colour grading for films, photography, editing, and videography. Under KINGYETTI, I have exhibited photography projects and films which have been presented at galleries such as WIP Gallery and VAV Gallery.

### **Black Woman Initiative / Head Visual Storyteller**

September 2020 - September 2021, Montreal

I am the head videographer and photographer in charge of planning, developing, and producing various projects for the Black Woman Initiative including promotional content, short docuseries, and all visual material used on all media platforms.

### **Concordia Film Festival / Head of Video Crew**

September 2019 - May 2020, Montreal

In charge of maintaining an organized, efficient, and productive workspace as well as the timeline for the Concordia Film Festival when it comes to producing video promotional material. My role as the head of the video crew also encompasses editing trailers to be displayed during the festival.
