I did not know I was passionate about filming until I joined a film class in 7th grade.

Born and raised in Tustin, California. I am seventeen years old and I am Mexican/American. I am a Senior at Arnold O Beckman High School, an experienced Actor and cinematographer, creating file shots for scenes 5+ years, operating cameras with different angles along with lighting to create a vision of the director. I want to learn how to use advanced cameras that the film industry use. I'm good at teamwork abilities. Follows directions well and works independently to enhance shots with creativity and skill. Featured in numerous wedding magazines and online publications.
