

BEN LI (Xiangyu Li)

 25  Savannah, GA, 31405  9125081214  xianli26@student.scad.edu

Having a visual theater in my mind is my biggest advantage as a director. I convince myself before I convince my audiences, I feel the pain and joy before my audiences feel it. Just through a peek, maybe a motion of hand and a connection between characters and environments, quiet but powerful. With the professional and reliable vision, the control from the details to the whole world among the frames are my key to telling a story.

Education

Communication University of China | Animation | Bachelor of Arts (B.A)
