Twenty years experience editing, including Cannes Shorts Nominated Award Winning Music Video, award-winning and BAFTA/RTS nominated drama series, Apple Music Promos, Grammy nominated music documentary film and prime time documentary. Music video for music legend Duran Duran.

### What people say about me:

*'Mick Johnson is a tireless innovator and invaluable collaborator. His work was energetic and stylish and wonderfully intelligent. Apart from that, he is just the nicest man with whom you would want to be locked in a dark room for weeks on end.'*

**Marc Munden – Three time BAFTA Winning Director - National Treasure, Utopia, Vanity Fair.**

*"I have cut many TV documentaries and drama short films with Michael Johnson. I soon found out - he's fast, can smartly construct a narrative/through line and beyond that, he is a very good person to spend time with in the edit."*

**Chloe Thomas – BAFTA Nominated Director - Harlots, Victoria, The Deceived.**

*"Mick is an editor who knows how to craft a story. He has a lovely calm way about him, and I would not hesitate to recommend him."*

**Tricia Cooklin - Line Manager Charlie, Arjun & Alison.**

*"Mick's ability to think quickly to overcome creative problems and provide other possibilities is beyond value to any project. His kindness and professionalism made our edit process very enjoyable and easy. A legend in and out of the suite."*

**George Jaques – Film Producer/Director - Silence.**

### Personal statements:

- Keen storytelling skills; can work unattended or under direction
- Proven ability to work well under extreme pressure and hitting tight deadlines
- Technically solid and vastly experienced and awareness of post production workflows
- Hard working and dependable; I am the type of person who is willing to go that extra mile!
- I'm a musician and drummer.... It helps with pacing!
