TO WHOM IT MAY CONCERN:

R: CHRIS LYONS

I recently finished producing the pilot for a TV comedy “Compound Fractures” where I had the pleasure of working on set with Chris Lyons.

Chris was the assistant set lighting technician for the duration where he worked under the direction of Mike Cafferkey.

Chris excelled in everything he did, he was incredibly quick to learn, very professional and extremely hard working.

Chris was an absolute pleasure to work with and is an asset to any team. I look forward to working with him on any future productions.

I cannot recommend Chris highly enough.

Kindest Regards

Derek Binchy.
