## SUMMARY OF QUALIFICATION

I aim to obtain a job in the field of Post-Production Editing or Production. I believe I am qualified for this position given my past education and experiences, and I am enthusiastic about the film industry and value the importance of a strong work ethic. Furthermore, I continue to explore the abilities of Adobe Premiere, Audition, and After Effects Software for film editing with the intention of furthering my skill sets to create diverse cinematic works of art under the mentorship of a renowned production company.
