**Will is Founder & Chairman of Tru-Spot Technologies**, an Augmented Reality company specializing in features of interactive fan experiences at concerts and live sporting events by way of on field body camera technology. Adaptive, personal body camera technology also intended to aide victims of mass shootings, unfair arrests, and crime. His business experience includes 30+ years in strategic planning, sales, marketing, communications, animation, media, screenwriting and independent film.

Will's most recent writing accomplishments and awards thus far - presently debuting on the **2023 Independent Film Festival Circuit**.

**Writer, Exec. Producer – Cotton's Sack – Short Script** Inspired by a gifted heirloom from Sharecropping Ancestors, a tech genius breaks protocols to test an invention which aids victims of mass shootings, unfair arrests, and crime. (Based on a true story). **Award Winner – Best Shorts Competition, Award Winner – JXN Film Festival, Semi-Finalist – Phoenix Shorts, Finalist – Nashville Film Festival.**

**Writer, Exec. Producer – Cotton's Sack – Feature Script** **Semi-Finalist – Flickers' Rhode Island International Film Festival, Quarter-Finalist – Faith in Film: International Film Festival and Screenwriting Competition.**

**Writer, Exec. Producer – Journey of the Tru-Spot – Short Film** LET 'EM KNOW THE WHOLE WORLD IS WATCHING! "Tru-Spot...Activate" are the words spoken to activate personal body camera technology created by a startup tech company. Technology created to enhance fan engagement at live sporting events and concerts. Personal body camera technology also created to aide everyday citizens who fall prey to mass shootings, unfair arrests, and crime. We Are ..... Tru-Spot Technologies! **Award Winner – Best Shorts Competition, Award Winner – Paris International Film Festival, Official Selection – Aphelion Film Festival, Semi-Finalist – Phoenix Shorts, Semi-Finalist – Dallas Shorts, Award Winner – Denver Movie Awards, Semi-Finalist – Dubai International Film Festival, Semi-Finalist – Rio de Janeiro World Film Festival.**

**Writer, Exec. Producer - Story Quilt Adventures - Independent Children's Series - Animation** A Live-Action & Animated series. The adventurous and interactive stories are told from the backdrop of a wonderful Patchwork Quilt. Karen Abercrombie delivers an outstanding performance by way of captivating storylines and kid-friendly theme songs of hope, love, respecting our differences, dealing with fear and bullying, forgiveness, honesty, redemption, faith and many other life lessons. **Official Selection - Nominee – Faith in Film: International Film Festival and Screenwriting Competition, Official Selection – Canadian International Faith & Family Film Festival.**

**Writer, Exec. Producer – Pharaoh Taharqa – Warrior King - Episodic T.V. Series** In the year 701 BCE, the notorious ASSYRIAN COMMANDER - SENNACHERIB has amassed his ASSYRIAN ARMY outside the massive gated WALLS of JERUSALEM. PRINCE TAHARQA – COMMANDER of the CUSHITE ARMY cracks the reins on a pair of Battle – Tested, Thoroughbred Stallions, pulling his ROYAL CHARIOT, in a last-minute effort to aide Jerusalem and King Hezekiah. **Award Winner (Musical Score) – JXN Film Festival, Official Selection – Aphelion Film Festival, Semi-Finalist – Dubai International Film Festival.**
