Caroline comes from a family of wine growers.

After several years in the business world, Caroline decides to return to her initial life project: writing and directing films. In 2021, she resigns, acquires video equipment, and creates her company Nikolina Films to produce her first films.

At the same time, she practices other artistic disciplines (plastic arts, music, acting) which directly feed her audiovisual work.

Filmographie

Morphine, 2023 | Short narrative film (28 min)

One night in her small apartment, Albane, 75, struggles to sleep. Therefore, she lets herself be lulled by the voice of a man who takes her into the dream that could be the most important of her life: the last one.

Une vie de Bob (A Bob's life), 2022 | Short documentary / experimental film (5 min)

Women and men surround themselves with animals; they watch them grow, age, die. The twelve strokes of midnight sound. Memories come alive during a dance, to the notes of Camille Saint-Saëns. This is the story of my childhood best friend, Bob.
