

ABFF ADDITIONAL INFORMATION

BRIEF SYNOPSIS

Jada, the stern yet respected Owner/Head Chef of Jada's Shop, resides above her establishment. Her fixation on an Ethiopian Chef across the street leads her to nightly observations through binoculars. Jada's loneliness is filled with imaginary scenarios of a relationship with the Ethiopian Chef, impacting her sleep and raising concerns among her kitchen staff. As the film progresses, Jada's sleep deprivation blurs the line between reality and fantasy.
