## Employment History

### Filmmaker, Yale Cinemat, New Haven, USA

SEPTEMBER 2022 – PRESENT

- Wrote, produced and directed three 15-minute short films, overseeing a crew of 14-20 and co-ordinating between departments.
- Assisted with production on multiple senior thesis films, with roles including script supervision to ensure sufficient coverage was filmed, noting each take throughout the day for later reference, and assisting the Directors of Photography through setting up camera, and organising lenses and equipment.
- Produced and assistant directed a short film with a 30-page script, booking filming locations, hiring equipment, assembling crew, working closely with the director on a shotlist, creating a shooting schedule around both crew and talent availability, and organising catering.

### Development Intern (Scripted), Valerie Steinberg Productions, Los Angeles, USA

MARCH 2023 – PRESENT

- Performed script coverage, expanding the production company's focused slate and providing comprehensive feedback on projects already on said slate
- Met with writers to discuss notes provided on their projects, working with them to address structural, character-focused and dialogue weaknesses
- Scouted for new talent and projects, organising a database to track these projects and their stages of development

### Videographer / Editor / Colorist, Various Organisations, New Haven, USA

FEBRUARY 2023 – PRESENT

- Operated a dual camera setup and sound system for a series of over 30 events around Yale University's campus, including theatre, concerts, and symposiums
- Filmed content for and edited event trailers designed to showcase event strengths and secure funding
- Edited and performed in-depth color-grading based on the requirements and preferences of the client

### Creator / Director, The Right Moment Productions, London, UK

MAY 2022 – SEPTEMBER 2022

- Pitched, developed, wrote and produced a promotional narrative short film for Howarth Oboe Factory
- Communicated with the client throughout the process to ensure satisfaction, while managing a budget of \$14,500

## Education

### BA Film and Media Studies, Yale University, New Haven, CT

AUGUST 2022 – PRESENT

Relevant courses include 'The Film Director's Craft' and 'Indie Film: An Introduction to the Filmmaking Process'.

GPA: 3.97
