

YURII BOIKO

SHORT FILM DIRECTOR /
PROGRAM MANAGER AT IFISFF 4:3

I am a short film director. Besides, I'm also produce ultra-low-budget films and organize their festival distribution.

At the same time, I am engaged in program management at the Ivano-Frankivsk International Short Film Festival 4:3. In general, I am involved in the formation of the program and the establishment of cooperation between IFISFF and other festivals, cultural, governmental organizations and business. Currently, I am studying the practice of grant applications and projects.
