CAREER OBJECTIVE

Inventive filmmaker with a Master's from Northwestern in journalism & storytelling, offering a unique blend of analysis, development, and execution in video production. With the audience at the heart of every budget line item, the goal is to create moving works that inspire, educate, and entertain. From writing to editing and everything in between, it's an endless pursuit for audience attention in an over-saturated, cookie-cutter entertainment world.

SKILLS

Excellent Writer/Communicator 10

Skillful at adapting to multiple formats and audiences
--under deadline

Strategic Producer 10

Develops and executes plans with realistic expectations, and always prepares contingencies

Tech-Savvy Editor 10

Photoshop, Lightroom, Premiere Pro, Audition, & InDesign

Showrunner Mindset 10

Understands other departments' roles and works to operate cohesively for the best project

Organized & Efficient 10

Constantly optimizing process for efficiency, communication, and budget

Team Focused 10

Simply being the best human I can be, whatever role I'm playing in production
