THE AWARD-WINNING SHORT FILM "JUSTICE"

SERAPHIM: The Motion Picture

Film Synopsis:

In the midst of a racially charged & socially turbulent Brooklyn, New York, an aspiring singer, Angel (Marck Angel), and a reformed street thug, Druid (Donta Hensley), attempt to requite their romance while confronting a troubled past.

Artist | Producer Film Bio:

Entering the film arena, via acting, in roles on hit web-series - "Finding Me: The Series" "City Boyz DC" and "Christopher Street TV" - music artist/filmmaker, Marck Angel decided to embark into producing musical short films via his own company, 'TradeMarck 1122 Inc.' in 2018. After the success of the 4 million+ viewed YouTube sensation, "Maybe", he then created his most successful short film to date entitled, "Justice" (circa 2023). The socially-conscious, choreography driven visual, received 18 Official Selections by major film festivals worldwide - incl. "Cannes Shorts", "Bronze Lens" & "Flickers' Rhode Island" Film Festivals.

Incorporating the success of his critically acclaimed studio LP, "SERAPHIM", juxtaposed with using the "Maybe" & "Justice" shorts as a base for story building, Marck Angel endeavored to combine his talents to then write, produce, score & choreograph his forthcoming, full feature film - [SERAPHIM: The Motion Picture](#).
