*"Life isn't about finding yourself,
it's about creating yourself."*

-George Bernard Shaw

Mike Fox | Multi award-winning Filmmaker, Director, Executive Producer, Screenwriter, Actor, Voiceover, CEO, Creative Professional & Entrepreneur

Passion to purpose is my goal. It's not merely about pumping out content, it's about creating a unique, emotionally relatable and impacting vision and making it come to life on screen. When it's full of life and purpose and passion, the audience knows it - and feels it. Genres covering sci-fi, family, horror, faith, drama, action & more.

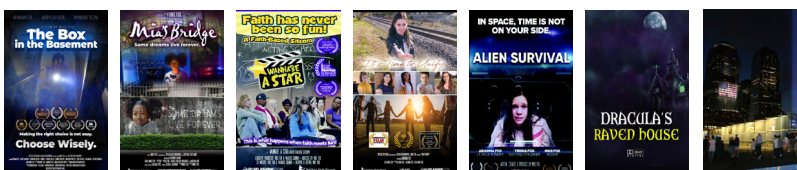

Featured on front page newspapers, Mike Fox's ultimate goal is impacting lives to empower, inspire and encourage and give direction in some way. Along the journey, are many curvy and cool paths from comedy, to suspense and scary, to sci-fi, to emotional, to pure cinematic.

His professional work is known across the U.S. including receiving numerous accolades and awards, featured on multiple media outlets on television, publications and print. As well, Mike has been named Top Pioneer & Entrepreneur by K.I.S.H. Magazine, won numerous awards from the prestigious Delaware Press Association (DPA), Local Business Person of the year by Alignable three years in a row, and continues to speak and teach filmmaking, directing, creative design and business to educational outlets.

With an accumulative of over twenty plus years of Creative experience, from design, video production, audio production, filmmaking marketing, social media, photography and videography and much more, his momentum to make an impact only grows stronger.

Also an actor, voiceover professional, CEO of Design business Splash Designworks, and produces EDM music as Dubblestep & Trillex. In addition, Official Film Festival Director and Judge. With three full length feature films under his belt, including projects on Amazon Prime, Tubi TV, Vudu, IMDb TV (Freevie), Apple and more with another family friendly comedy feature coming out early 2024. He and his family continue their focus on his future is open with possibilities to create meaningful and purpose-filled films and projects.
