Directing

Grade 10, 11, 12

Skill Level: advanced

I created countless plots, short films, improv techniques, theater tutoring, and large scale movies. One of my short films is based off of the Grinch, its 16 minutes long and was for my theater class. Another is a partially tragic true story based off of a student in my school, having 2 parts. And not to mention a 2 hour and 30 minute full length original horror movie called INCOHERENT, which took my a whole year to pre produce and 6 months to fully film. INCOHERENT, as well as all my other projects are located on my Youtube channel named Clear-the-mold. I managed and gained this skill over several years of various locations including Digital media club, theater class, long-island high school for the arts and outside school fine arts based classes

Love Sick (Short Film)

Grade 10
3 Hrs/Week
Total Hours: 42

(Before LIHSA) A self-directed Short Film which was a end of the year final project for my Theater class based off of true personal events. It is split into 2 11 and 15 minute parts on my personal youtube channel. This was one of my first stand alone projects, right before filming started for INCOHERENT, which gave me perspective. Plus with this project having extreme flaws, prominent plot holes, in experiences and overall major learning points, such perspective on responsibility, in which not only set me up for my awareness and preparedness for INCOHERENT, also gave me more experience in such a complex, individualized and difficult field of study. Incoherent (Feature Film)

Grade 10, 11
5 Hrs/Week
Total Hours: 82

(Before LIHSA) Not only inspired by my passion and emotion towards film, but my will to create something out of nothing, I created an original 2 and 1/2 hour 2 part horror movie named INCOHERENT. I individually casted, scripted, edited, and directed this project over a year through pre to post production. Located on my Youtube Channel, Nick_Miceli, with the professional trailers and 2 parts itself. With a complicated and challenging process it was my first official movie, not short film, but movie, which was an experience to remember. Alternative Grinch Story (Short Film)

Grade 10
3 Hrs/Week
Total Hours: 12

(Before LIHSA) This short film was my official beginning in the cinema realm. It was my first ever film project, publication and edited story. Being in estimation 16 minutes long, with a very primitive production and outcome. It was my foundation in experience, my foundation in script-making and overall just my foundation in wanting to do more. A project for Theater class, it surrounds a new, different and darker Grinch christmas story. Link : https://youtu.be/uzioD_AK3ws?si=8ROu6EI9MkYgsSOR
