I love that.

Thank you for going through my portfolio,
I hope it resonated with you.

I am a wildlife and nature lover. I love free diving, snorkelling, and everything ocean-related. Thanks to the training with a shaman, I dissolved my ego and became a collaborator at heart.

ABOUT

Frankie is a London/Milan based Film Director, Storyteller and Interdisciplinary Artist, and his interests expand to feature films, commercials, branded films, A.I films, experiential design, magic realism and new immersive forms of storytelling.

Frankie moved to London in 2008, where he worked on feature documentaries 'Girlfriend In A Coma' and 'Europe At Sea', written by Bill Emmott, former Director of The Economist. He also worked on his first short film, on theatrically released 'Tempest' and the BFI funded short film 'Truck'. In 2015, Frankie started directing commercials with Great Guns UK.

His films and art installations ended up soon on the pages of The Guardian, Shots, Campaign, Little Black Book, The Drum, CreativePool, David Reviews, AD, Artribune, Elle Decor, Forbes among others; they have collected awards and shortlists from Nowness, Kinsale Shark, One Point Four London, Indie Short Cannes, The Telly Awards, Webby, D&AD, Creativepool, Epic Games Build Munich 2019, the Milan Film Festival and The Video Consortium among others. His photographic work has been exhibited in Italy and UK and published by Hoxton Mini Press/Magnum/BJP.

A selection of brands frankie worked for includes: Google, Breast Cancer Now, Nike, Chrysler, Aston Martin and Lamborghini.

Frankie released, through Nowness Picks, his short documentary on British post-war photographer, Colin Jones, and is currently developing a thriller feature film with Sundance award winning co-writer Anthony Fletcher, starring a Euphoria, Trinkets, In Treatment, and Black Adam's rising star, actor and activist Quintessa Swindell. Frankie is also developing a coming of age TV series, and he is in the post production process of a 40 minute music film for the iconic Italian band Casino Royale. He is also working on an AR art project in collaboration with the archeological museum of Taranto (M.A.R.T.A) on occasion of the Mediterranean Olympics 2026.

Frankie is represented by [Great Guns](#) (UK/EMEA); he co-founded [COMASTUDIO UK](#) and in 2020 he started the [REWILD](#) project, through the art movement he co-founded [THECURATORSMILAN](#), a collective of artists and scientists producing series of art installations that mix design, fine arts and new technologies.
