

## Carina Abrantes' movies cinematography:

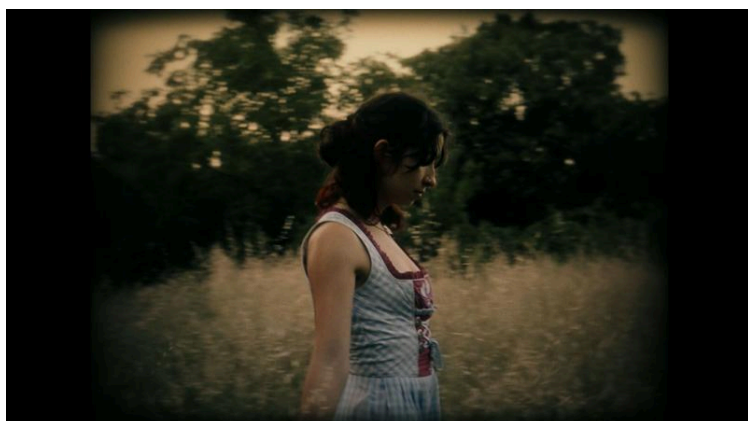

### 1. Para a minha Avó Fernanda

A documentary about my grandma's life in the village she grew up in. A movie where Fernanda reminisces about old stories, places and people that were dear to her.

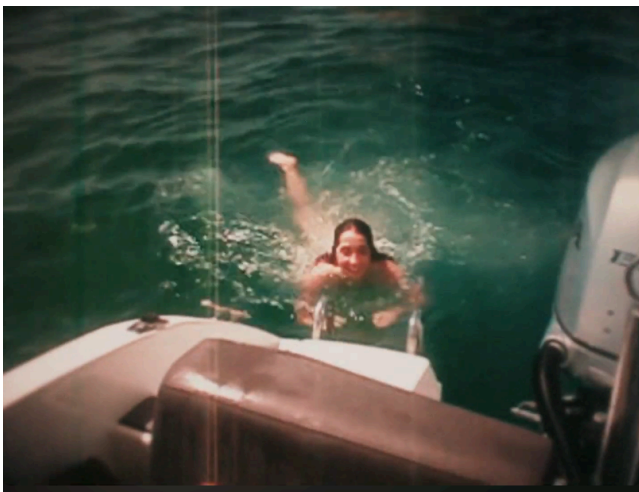

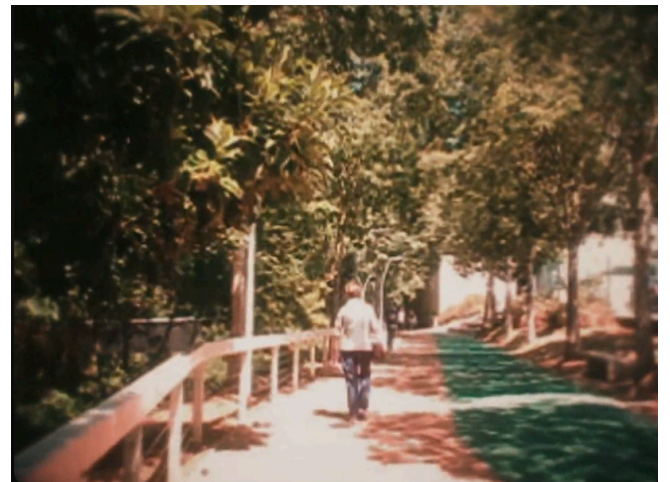

## 2. Serenidade Campestre (WIP)

A visual essay on rural life. It enhances the beauty behind these old villages that, unfortunately, are being forgotten over time. A visual essay on rural life. It enhances the beauty behind these old villages that, unfortunately, are being forgotten over time.

### 3. A Minha Velha Câmara de Viagem

A (home-made) movie where I used my old traveling camera to capture the best moments of my 2023 summer.

#### 4. Lembrança do que uma vez foste (WIP)

An animation about the affectionate relationship between a granddaughter and her grandfather since she was a child until her adulthood. A docufiction where the granddaughter slowly realizes how much her grandfather and her connection with him changes over time.
