Profile

Francis Matovu is a versatile filmmaker with 10 years of experience in production, post-production, and editing. He has attended Alison University, Adex University, and the Cinearts

Masterclass. Francis has worked on notable projects, *Shattered Glass* (Maisha MagicMovies), *Prestige* (Pearl Magic Prime) *Beloved* (Pearl Magic Prime), *Babirye ne Nakato* (Pearl Magic Loko), and *Mistake*. His work has earned him international acclaim, with *Mistake* winning multiple awards, including Best Short Film at the Queens Underground International Film Festival, Lens Fame International Film Festival and the Critics Choice International Film Festival. He was also a finalist at the Crown International Film Festival and received recognition for his efforts as Production and Post production coordinator for the Maisha Magic Film's 2nd Best Film of 2022, "Shattered Glass"

EXPERIENCE

Filmmaker, Antelope Picturez

February 2015 — January 2025

As a Filmmaker at Antelope Picturez, the responsibility encompasses overseeing all stages of film production, from initial concept development to the final editing process. This role has provided the opportunity to craft compelling narratives and visually stunning films, ensuring that each project aligns with the artistic vision and goals set forth. Collaboration with a diverse team of creatives has been essential in bringing various stories to life, while also honing skills in cinematography and video editing.

- Directed and produced multiple film projects, enhancing storytelling through visual techniques.
- Utilized Adobe Premiere Pro for editing processes, resulting in polished final products.
- Managed project timelines and budgets effectively to ensure successful delivery of films.
- Worked closely with actors and crew to develop performances and visuals that resonate with audiences.
