# Establishment

Icescape Films is an independent film production company founded on May 5, 2018, by Vaibhav Gattani.

*"Our strong desire to tell a story that reaches and touches common people's heart is what keeps us going."*

# About the owner

He was always interested in filmmaking but was not confident enough about making it as a career. He is a B.Tech Civil Engineer and right in his 1st year of engineering he realized that making films is the only thing that he wants to do for the rest of his life. That was the time when he listened to his heart and decided to make a career in films and started learning filmmaking simultaneously.

He is a Writer, Director, Producer, Actor, Cinematographer and Editor.  
He also has a specialization in Visual Effects.

# Work

We have 2 projects which will be released in 2025. A Feature Film titled 'Void' & a Web-Series titled 'Bhrakshak'.

Besides this, we have produced several short films which were received well by International Film Festivals.

Our strength is in producing a film with *Dark Theme!*

# Work

Void is a 96 minutes Slow-Burn Drama Film.

*When medical science has no answer for Rhea's infertility, she is left with no option but to go for Supernatural Interventions. Does she succeed? If yes then at what cost?*
