

MORA STUDIO

Mora Studio started its activity in 1989, concentrating on producing and researching experimental films, especially abstract animations. Collaborate with universities and research centers.

Making animated films - Documentary films and unconventional films.

This studio is small and independent and produces low-budget films , and it's just an art studio that has a constructive relationship with other centers around the world.

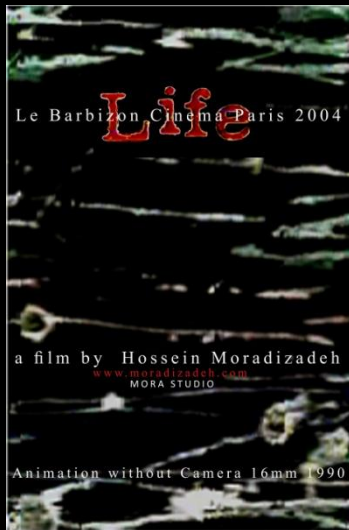

Animation

Hossein Moradizadeh

1- **Life** – 1990 – Scratch on film - 16mm – 4m

Le Barbizon Cinema – Paris – 2004

Life is life Accidental and irregular and unpredictable.

5 – **The Owl** - 2005 – 2D Computer – 7m

In life there are certain sores that, like a canker, gnaw at the soul in solitude and diminish it. (*The Blind Owl - Sadegh Hedayat*)

"The Owl" is about the examination of human soul in the body of Owl and hunchback. A painter dreams of a woman in black who is staying in front of his house. She dies in the house. The painter cuts her body into pieces and puts her in a suitcase. Then with the help of a hunchback buries her in the graveyard. The painter changes into a hunchback in the end.

13 - **The Improvement of Human Reason** – 2022 - 2D – 10m

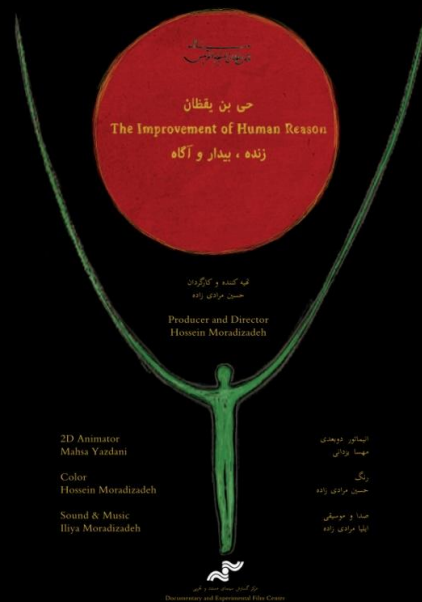

The film is based on a Philosophical treatise on human nature written in the 12th century. A baby alone on a remote island is suckled by a deer. He grows up, covers his body in imitation of animals, makes a weapon from a tree branch to defend himself, and discovers fire with lightning. He thinks of the sky and knows the world as a living body.

15 – **Fereydoun's Sons** – 2024 – 2D - 7m

Adapted from the Shahnameh (The Book of Kings) Iranian poet Ferdowsi (940-1020 AD). Fereydoun divides his lands into three parts and gives each one to one of his sons. Salm is the land of Arabs and Romans, Tur is the land of Turks and China, and Iraj is the land of Iran. Two brothers kill Iraj out of spite and Manouchehr takes revenge.
