Personal Statement:

Having developed my performance skills in many areas I am now seeking further professional opportunities to add to my experience and enable my continued growth as a Performer/Artist. I am available for auditions and interviews immediately.

Acting has always been a big part of who I am, being able to adopt different characters is my form of expression. I have developed my experience in acting and film making and I am a playwright and poet.

Screen Acting & Film Making

YouTube has been a big part of how I express myself and show off my unique talent. Making comedy videos, short films, and self-tapes has made me develop an ambitious talent for filmmaking and screen acting. I am now studying Screen Production at E.I.T. to further my understanding. I've also been part of social media campaigns for festivals in my local area.

Following Projects:

- “Fringe in the Stings” 2022 social media ads - Instagram
- “Fringe in the Stings” Mark of the Wolf // Short Film 2022 - Caffeine Addict Films - Youtube
- “Internalised” Evol Luv - Caffeine Addict Films
- “Division: A Commoner’s Story” Caffeine Addict Films -YouTube
- “The Interview: COVID-19 EDITION” Jackie the Wondering Wolf - YouTube

I also have a bit of a following on my TikTok and Instagram, where I create small monologues and record my poetry along with small skits and encouraging messages. It gives me something to keep my skills sharp and have a constant flow of entertainment.

Playwright/Poet

I have developed a passion for writing plays and poetry, which is an ever-expanding area for me. This has added more depth to the way I act, as I tend to make my poetry performances more theatrical and story-based. My work includes collaboration with other artists for various events. My credits include winning the LGBT poetry slam, and I now write and perform new poetry every month. I am also the 2023 Hawkes Bay Poetry Slam - Spirit of the Slam champ.

- “Common Poets Society” - Common Room
- “Word Play” - Fringe in the Stings - Brave Bar

- “Spirit of the Slam Champion” - Hawkes Bay Regional Poetry Slam - Motif Poetry

Stand-Up Comedy/MC/Drag Artist/Cosplay

I commenced stand-up comedy in December of 2019 and now appear regularly at The Common Room’s monthly Comedy night (Hastings, Hawkes Bay, New Zealand) and more recently have become MC as well as performing my own act. I’ve also been expanding to other venues such as Dejeuner in Palmeston North.

I have also now developed a drag act, further expanding my repertoire of live performances, which also includes cosplay, for which I have used the TikTok platform to grow my network of followers.

Additional Skills

Modelling:

Modeling has allowed me to promote myself and explore more about my fashion sense. Being unique and noticeable gives me a point of difference, which I look forward to further developing.
