EDUCATION

New York University / Tisch School of the Arts, BFA in Film and Television

- Graduated January 2016; GPA 3.714
- Minor in Media, Culture, and Communication

PROFESSIONAL EXPERIENCE

APPLE: *Product Zone Specialist*

September 2018 – ongoing

Carry out purchases, returns, and trade-ins for various products. Troubleshoot device-specific questions, restock inventory, and help customers set up their devices. Contribute to recurring Today at Apple classes, including personalized group sessions and annual camp programs for children. Took ownership of the Apple Vision Pro demo workflow during the product's launch.

AMC THEATERS: *Film Crew Associate*

September 2016 – March 2018

Maintained facilities, organized inventory, and tended to customer needs as part of theater staff.

THE TONIGHT SHOW: *Writers' Department Intern*

August 2015 – December 2015

Facilitated communication between the writers, script department, and control room at late night talk show. Worked closely with the production and script coordinators to distribute script copies and organize documents for daily creative meetings. Compiled recap of late night programs and performed final monologue script readthrough before each show with the head monologue writer.

THE NIGHTLY SHOW: *General Production Intern*

January 2015 – May 2015

Worked across multiple departments, including talent and research, during first months of show's operation. Primarily assisted the audience department with ticket orders and line maintenance.
