EDUCATION

ADVANCED DIPLOMA OF SCREEN AND MEDIA

North metropolitan Tafe
2022

Developed all the skills necessary to work within the film industry. Including the ability to Produce, develop ideas, Direct, work within lighting, Art, sound and editing. Through this course i was able to work on a variety of different creative projects in many different roles.

SCREEN AND MEDIA ALUMINI

North metropolitan Tafe
2023

Emphasising skills in networking, creative project development and obtaining business knowledge and skills. Through alumni i was able to work alongside fellow passionate film-makers in developing ideas and the processes of creating screen productions.

OPERATE SMALL BUSINESS

North metropolitan Tafe
2024 (term 1)

Gained extra skills in using software such as Microsoft word, Excel and powerpoint. Along with providing the frameworks for professional communications such as emailing and letter writing. Also helped me develop understanding of marketing, advertising and business including through the use of social media.

FILMBITES SCREEN ACADEMY

2017- Present.

skills and understanding of on screen performance. Experience working on set and alongside directors and actors. Knowledge and experience in a variety of acting and directing methods and styles. Yearly screen productions. Character development, storytelling.

Film is a major passion of mine.

I've loved movies and tv for as long as I can remember.

I'm a creative and hard-working individual with experience in many roles and projects on and off set. I began my film journey as an Actor, performing both on stage and on camera, later progressing to film-making with years of experience and education in screen and media.
