

DERY PRANANDA

Filmmaker - Lecturer

ABOUT

Dery Prananda is a filmmaker based in Yogyakarta, Indonesia. Alongside his work as a director and line producer on local independent film productions in Indonesia, he teaches film production at several colleges in Jakarta and Yogyakarta. In 2017, Dery graduated with a Master of Art from the Indonesian Institute of the Arts, Surakarta. One of his notable works, *Amelis*, was selected by various film festivals in Indonesia, Malaysia, Australia, Germany, and Argentina. The film was nominated for Best Film at the ReelOzInd Australia Indonesia Short Film Festival. Dery's characters often come to life on the big screen inspired by his everyday experiences. Dery's filmmaking style is heavily influenced by the works of Apichatpong Weerasethakul and Garin Nugroho.
