Career Experience

Bagger, Cashier, Customer Service Representative – Festival Foods

Menasha, WI — 2019 to 2024

- I worked as a bagger for two years, then moved up to a cashier for another two years, and worked as a CSR and shift manager for my last year at Festival.

Cashier, Hardware Sales Associate – The Home Depot

Appleton, WI and Tempe, AZ — 2024 to present

- I worked as a cashier for the majority of my time at the Home Depot, briefly taking over hardware roles whenever the department was short staffed.

Film & Video Production Experience

Daydream / Editor — 2024

- A short film showcasing the conflicting fantasies and realities of modern online dating.
- I edited this project in about three days using Premiere Pro and After Effects.

That's Life / Assistant Director, Editor — 2025

- A music video to Frank Sinatra's classic "That's Life".
- I led my film crew of about a dozen people through a chaotic shoot and took over editing responsibilities after the sudden departure of our original editor. Editing took about three days in Premiere Pro.

Ocean of Dreams / Director, Cinematographer, Editor — 2025

- A short film about dreams and nightmares and how they distort our daily lives, while sometimes giving us a new point of view.
- I did this project completely on my own and filmed and edited it over the course of about three weeks using Premiere Pro.

Fragments of Us / Director, Editor — 2025

- A short film about my relationship with my younger sister.
- I did this project completely on my own and edited it over the course of about two weeks using Premiere Pro.
