PRODUCTION EXPERIENCE

Producer/Modeler/Rigging Artist

“Orbit” Animated Senior/Junior Film

February 2026 - March 2026

- Established and maintained a schedule for a rotating crew of 21.
- Constructed a detailed schedule through Google Sheets that updated progress trackers real-time as tasks were completed.
- Engaged in problem-solving during production challenges, adapting plans as necessary to meet the five week deadline.

Director/Modeling Lead/Modeler/Rigging Artist/Texture Artist

“Idle Hands” Animated Thesis Film

June 2025 - February 2026

- Selected as director through skills in both competitive pitching and presenting.
- Directed a five-person team on various tasks based on their unique strengths and workflows.

Director/Modeler/Rigging Artist/Texture Artist

“Pulled Taut” Animated Junior Film

March 2025 - May 2025

- Multi-tasked across different aspects of the pipeline while maintaining organization and communication with a team of three.
- Received festival selections for WashU Film Fest, Pensacon Short Film Festival, Reedy Reels, and Fort Myers Film Festival.

Producer/Modeler/Rigging Artist/Texture Artist

“Sculpted” Animated Junior Film

January 2025 - March 2025

- Crafted and managed a schedule for a team of three using Google Sheets.
- Coordinated project timelines and schedules to ensure the creation of 55 assets and completion of 35 shots in one month of construction and one month of production.

VOLUNTEER EXPERIENCE

FreeCon Promotions Committee Member

November 2022 - Present

- Designed 10+ custom illustrations on merchandise and in social media content for FreeCon, the college convention run by the Japanese Animation Club of Tallahassee.
- Collaborated with the Promotions Committee to develop the visual designs of the yearly mascots.
- Increased attendance at the convention, which saw over 2,700 total attendees in 2025.
