PROFILE

Award-winning filmmaker and videographer with three years of experience working with media agencies and independent contractors to create high-performing content for film and marketing campaigns. With my experience in creative direction, artistic execution, and technical production, I guarantee my work will be made with precision and passion. I bring videography, photography, editing, and leadership experience in video production and direction.

EXPERIENCE

Video Production and Marketing Assistant

All Pro Media • April 2026 - Present

- Operate Sony and JVC brand cameras for commercials, social content, and brand awareness videos.
- Camera operator for live productions of dance recitals and concerts.
- Skilled in post-production workflow for editing, color, and sound for commercials, live production clean-up, and social media.
- Key communicator between the company and our various clients.

Videographer/Photographer/Editor

Freelance • Jan 2024 - Present

- Produce, shoot, and edit social content for various agencies, music ensembles, and weddings.
- Direct videographers, actors, and crew members to shape the creative vision of projects.
- Experienced event photographer for concerts, celebrations, and studio sessions.
- Contractors include RVRB, Lee University Singers, Ladies of Lee, and Brainerd Baptist Church.

Videographer/Editor

Lee University • Jan 2024 - Dec 2025

- Captured high-quality video and photos of campus events for sizzle reel recaps, commercials, social media posts, and archive content.
- Assisted in post-production of content through editing, color grading, and exporting for social platforms.
- Team Lead Videographer for content production.

Director/Producer

Short Film Productions • Jan 2024 - Present

- Led film crews and directed actors, camera, and editing for short film productions.
- Managed budgets, crewing, casting, location management, and craft services to create an effective set environment.
