## **A R T I S T S T A T E M E N T**

I am a multimedia artist whose focus extends into time-based media and sensorial installation, exploring technological nostalgia and phosphoric magic. Through immersive experiences, I weave together the past and present, the seen and unseen, inviting audiences into liminal spaces of reflection and transformation.

## **S K I L L S**

Multimedia & installation design, lighting design & tech, art direction, video direction & editing, camera operator, fundraising, marketing, event curation & logistics.

## **A R T W O R K / E X H I B I T I O N S**
