

SREEDEVI JAGANNATH

PORTFOLIO

ABOUT ME

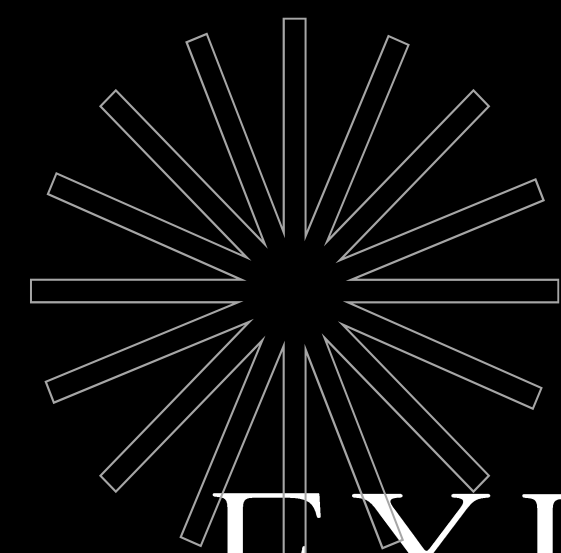

Sreedevi Jagannath

A passionate screenwriter and storyteller from Bengaluru, I enjoy crafting subtle, but engaging stories rooted in ordinary lives that have extra-ordinary impact.

My favourite genres are historical fiction, drama, supernatural and horror. I have a deep spiritual connection with Hindu mythology, and have been enchanted by mythological stories from all over the world.

Apart from stories, I also write songs and poetry.

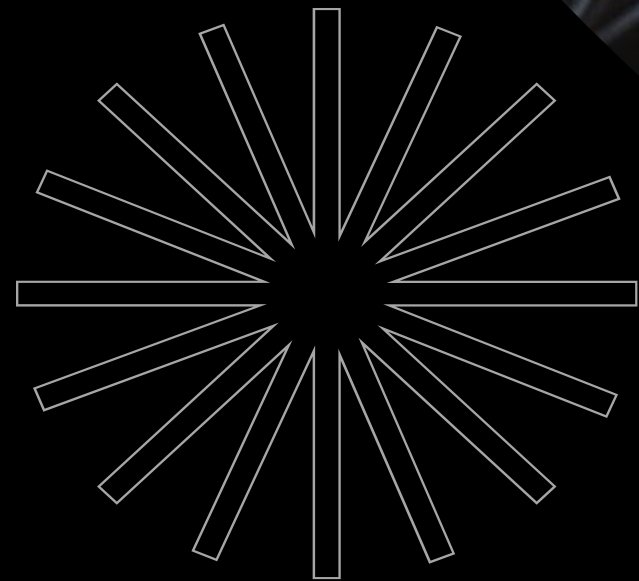

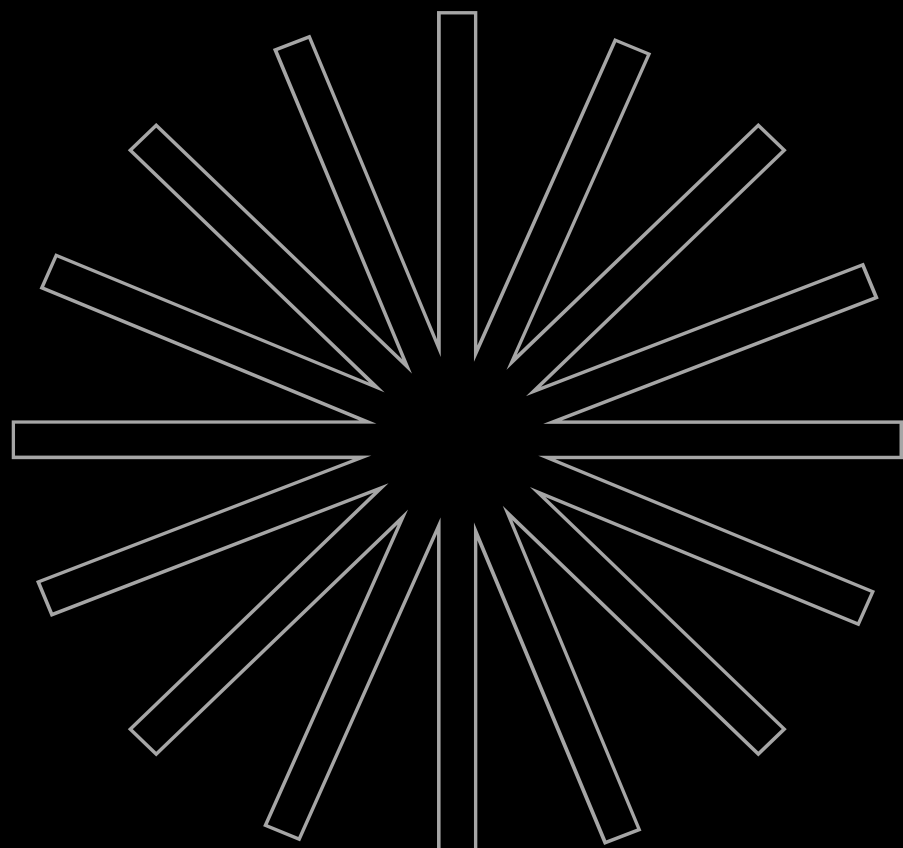

EXPERIENCE

- Zee Writers' Room since Feb 2026 (Z5 OTT)
- Freelance writer and published author since 2022
- Twelve years in the software industry

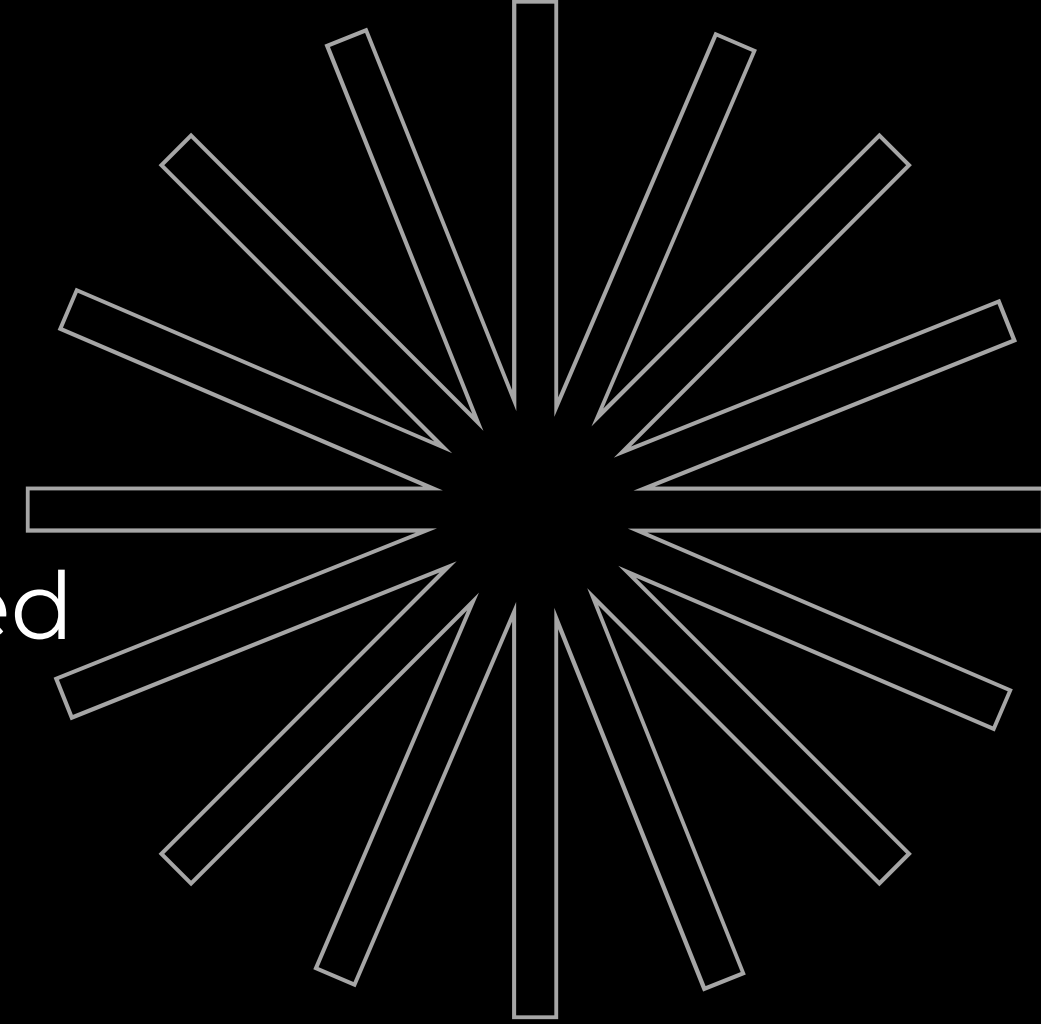

EDUCATION

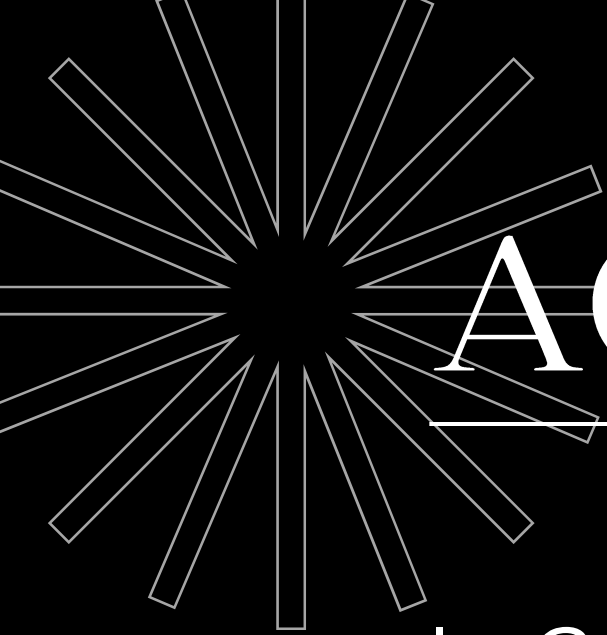

- Masters in Computer Science and Engineering
- Spiral Bound (Taught by Boman Irani & Anosh Irani)
- Screenwriting Mastery Program LevelUp Learning

SKILLS

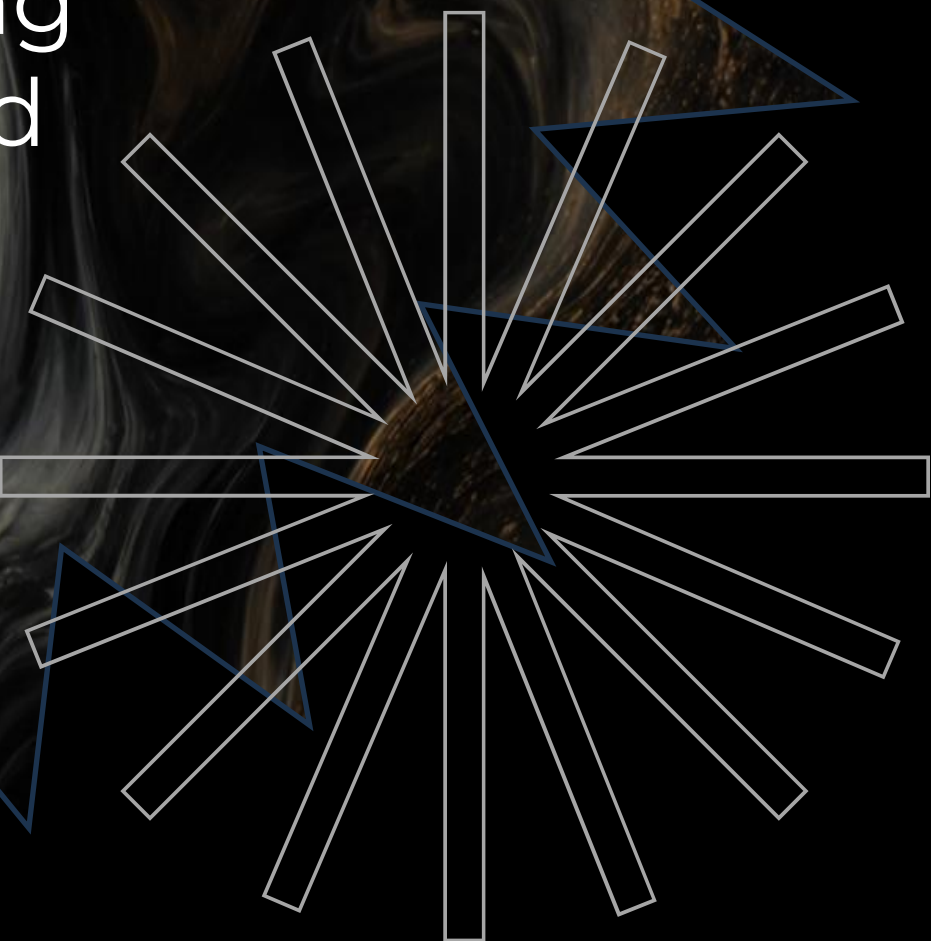

- Screenwriting - feature films & shorts with advanced knowledge of 3 act structure
- Storywriting - structure and pacing.
- Character development & arcs.
- Dialogue and visual, economical scene writing
- Professional script formatting and software (Final Draft, StudioBinder, CeltX, etc.)

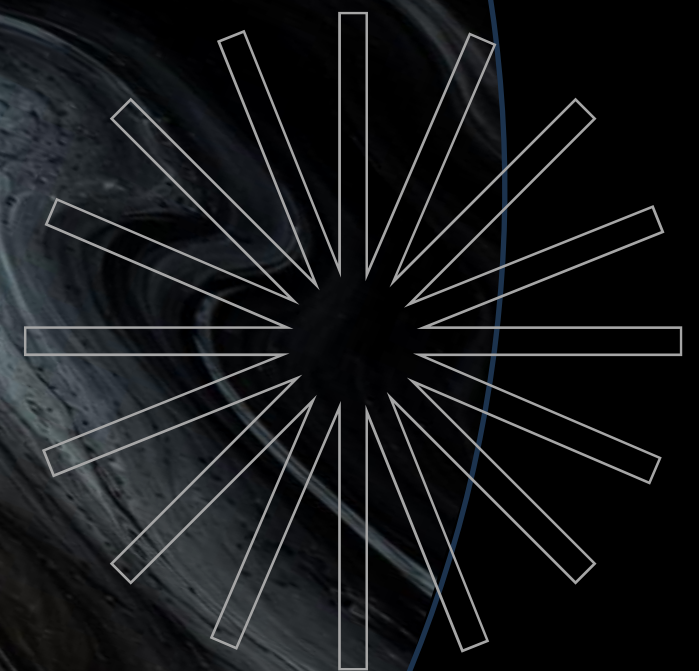

ACHIEVEMENTS

- In 2025, my supernatural drama short story “Weight,” adapted into a short film script, was well-received in scriptwriting contests at Academy Award- and BAFTA-accredited film festivals.
- Published a horror thriller short story “Darkness Falling” in the January 2025 edition of The Wise Owl, a curated online magazine.
- Published a fiction novel, “A Jungle of Thoughts,” via Amazon.

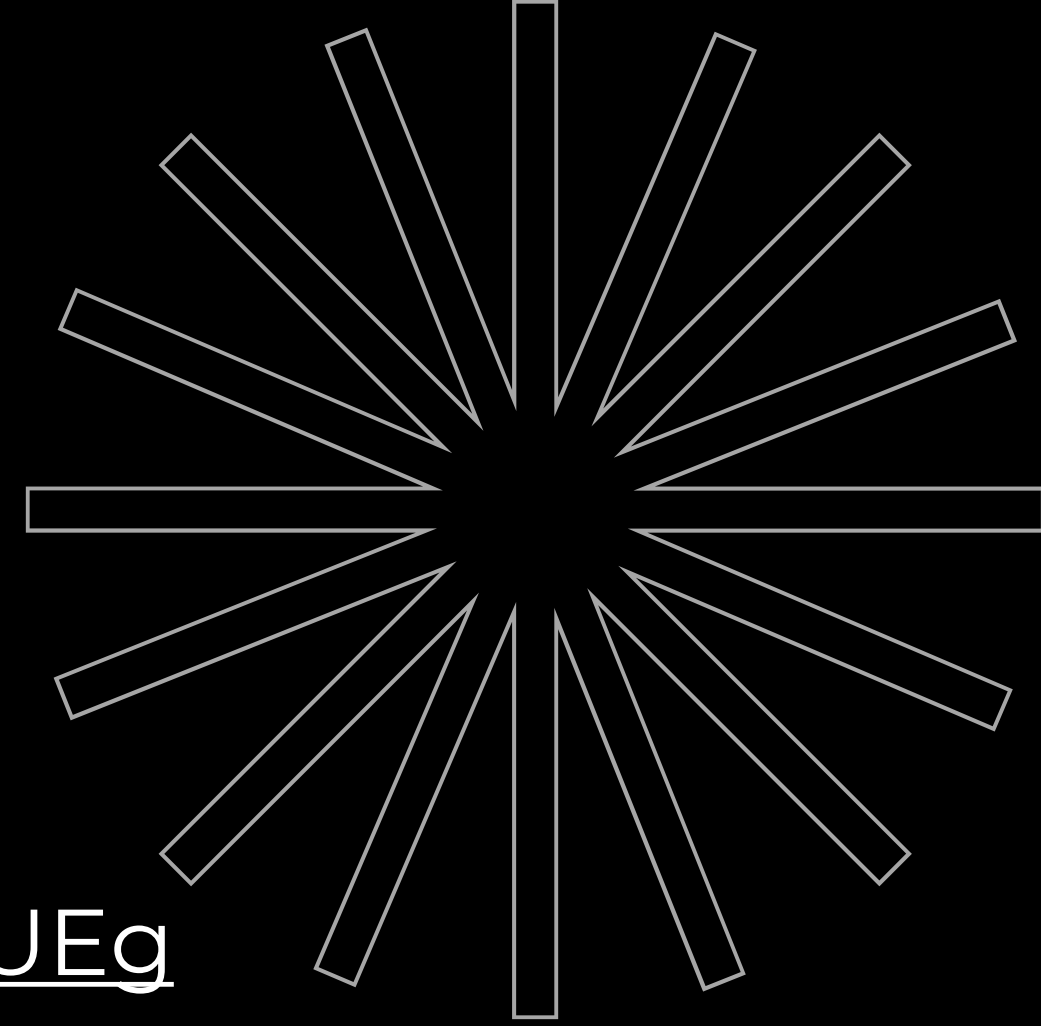

CURRENT PROJECTS

- Currently working with HubHawks to publish my novel
- Social drama feature film script about womens' right to education, and the resilience of mothers when it comes to their children.
- Historical epic feature film script about an unsung heroine who fought against Mughal invaders.
- A horror feature film script rooted in the unshakable love that mothers have for their children.
- A commercial dramedy script about modern schooling and parenting problems.
