He completed further studies in 2005 at Boston University with Lukas Foss. As director, he has gained recognition for producing videos that detail his musical technique of “*Compositional Improvisation*,” and for creating extensive machinima that focus on an alternate character to Geralt of Rivia in the video game *The Witcher 3*. His fascination with songwriting—and combining contemporary opera and musicals—has resulted in *Marvelous, a Musical Opera*, based on the sequel book to L. Frank Baum's *The Wonderful Wizard of Oz*, a tale he has wanted to tell in his own fashion for decades.

He has now combined his filmmaking and music skills in creating *Marvelous, a Musical Opera: an Opera-Film*. During the months of March–August 2026, Mr. Hall garnered the following film festival recognition for the film:
