

## Why Choose Us

- Proven Track Record
- Value-Driven Storytelling
- Seamless Collaboration
- High Production Standards

At Chuchin Ultimate Productions Ltd, we believe that great stories change lives. By blending technical proficiency with deep cultural and moral insights, we deliver relatable visual experiences that captivate audiences and offer maximum value to our media partners.

As we continue to expand our reach and innovate within the digital media landscape, our focus remains on building lasting partnerships that amplify diverse voices and impactful narratives. Whether you are a corporate organization looking to tell your brand's story or a television network seeking high-quality, engaging drama series, Chuchin Ultimate Productions Ltd is your trusted collaborator in turning creative ideas into cinematic reality.

## Our Team

Behind Chuchin Ultimate Productions Ltd is a dedicated team of passionate professionals, creative strategists, and financial experts. Together, we blend technical expertise with artistic vision to manage projects seamlessly from script to screen, ensuring every production achieves outstanding storytelling and commercial success.

## CEO Professional Summary

### Stellamaris Duru

– CEO/Managing Director

Stellamaris Duru is an award-winning Media Producer and the CEO of Chuchin Ultimate Productions, bringing over 15 years of exceptional experience to the Nigerian media industry. She is a certified advertising practitioner (ARPA) who specializes in wholesome, family-oriented storytelling and creative entrepreneurship. With a proven track record of delivering engaging, high-quality media content, she has produced high-impact television and web drama series, including acclaimed projects such as Sands of Time which has 2 debuted seasons (Affiong go Lagos & We Happy People)

Beyond her production portfolio, Stellamaris is deeply committed to fostering community growth within the creative sector. She is the founder and convener of Masterclasswithsmd (SMD), a dynamic training and networking space designed for aspiring actors, film producers, and scriptwriters. Through this initiative, she empowers next-generation talent to learn, connect, gain clarity, and take bold steps toward thriving in the entertainment industry.

## Vision & Mission

### OUR VISION

To produce compelling films and visual media content that deeply resonate with global audiences while maintaining the highest standards of professional excellence.

### MISSION

To restore moral and family values through impactful storytelling, and to seamlessly collaborate with TV stations, media houses, and private or corporate clients to bring exceptional creative visions to life.

## Our Core Values

#### Integrity

Upholding professional excellence and transparent operations in every collaborative partnership and media project we undertake.

#### Purposeful Storytelling

Dedicated to creating story-driven, relatable content aimed at restoring moral and family values.

#### Excellence

Maintaining high production standards from initial scriptwriting and media creation down to post-production and final editing.

#### Collaboration

Working hand-in-hand with media houses, TV stations, and private clients to accurately bring their unique creative visions to life.
