ACHIEVEMENTS

St. Peter's Arts Night

I created a new event at my work place which I curate and host every few months, featuring local musicians, poets and filmmakers. Our pilot event made a gross income of €1'025.80.

Fundraiser in aid of Ukraine

I curated an evening where I showcased the work of four Ukrainian artists living in Ireland and interviewed them individually afterwards. Through ticket sales, I raised €200 for Repower, a Ukrainian organisation that provides psychological support for medics and volunteers in Ukraine.
