

Steve Johnson

Director; Writer; Cinematographer; Producer; Post Production Supervisor

Summary

Steve Johnson was born in Liverpool, England but now resides in Glasgow, Scotland. He is a self taught filmmaker for which *The Students of Springfield Street* marks his debut feature film as a director. Steve also teaches for RED Digital Cinema at their REDucation courses worldwide and regularly teaches at the YouTube Space in London. Steve is an effective cinematographer, using RED EPIC and Dragon cameras to achieve cinematic images, whilst working with directors to portray the correct look and feel for each individual project.
