

01

00:00:12,000 --> 00:00:15,000

115

Film By MALAS TWINS

02

00:00:16,000 --> 00:00:20,000

“115” is the number of emergency to call when you dont  
have any shelter at the time of calling

03

00:00:32,000 --> 00:00:33,000

is it “115” ?

04

00:00:34,000 --> 00:00:36,000

excuse me, i want to sleep

05

00:00:39,000 --> 00:00:40,000

there was not any bed

06

00:00:41,000 --> 00:00:43,000

but i called you one week ago

07

00:00:44,000 --> 00:00:47,000

and there was not any bed, today

08

00:00:48,000 --> 00:00:50,000

i want to sleep sir

09

00:01:15,000 --> 00:01:19,000

this is brutal

10

00:01:52,000 --> 00:01:55,000

i watched the rabbit

11

00:01:56,000 --> 00:01:57,000

past tens

12

00:01:56,000 --> 00:02:02,000

i will watch the rabbit

13

00:02:03,000 --> 00:02:04,000

future tense

14

00:02:06,000 --> 00:02:08,000

i watch the rabbit

15

00:02:09,000 --> 00:02:10,000

present tense

16

00:02:15,000 --> 00:02:16,000

caricature

17

00:02:17,000 --> 00:02:18,000

i love caricature

18

00:02:18,000 --> 00:02:20,000

because it doesn't need any translation

19

00:02:21,000 --> 00:02:23,000

why Sir? i want to sleep

20

00:02:24,000 --> 00:02:25,000

i always call you

21

00:02:26,000 --> 00:02:30,000

my name is Charlie, it is the tenth time i am telling you

my name is Charlie

22

00:02:32,000 --> 00:02:37,000

i need a bed, a bed to sleep but you never have any answer

for my question

22

00:02:38,000 --> 00:02:40,000

please sir, just answer my question

23

00:02:41,000 --> 00:02:44,000

why there is no sunrise in France?

why is an endless night?

24

00:02:45,000 --> 00:02:48,000

i want to sleep in order to watch the sunrise

25

00:02:49,000 --> 00:02:52,000

if i don't sleep. i will not be able

to watch the sunrise

26

00:02:53,000 --> 00:02:54,000

yes i want to sleep

27

00:03:05,000 --> 00:03:07,000

i am Charlie

28

00:03:08,000 --> 00:03:09,000
